

The NeXt Bible

The NeXt Bible ™ Learning Environment leads the way for a new generation of online Bible study and research tools. It offers a vast and growing library of trustworthy content all integrated into an easy-to-use online environment. This puts high quality Bible study tools and resources within reach of the whole world without charge - a price all pastors, missionaries, Bible teachers and individuals can afford.

The NeXt Bible ™ Learning Environment offers the most comprehensive set of free resources available online, including commentaries, articles, word studies, original biblical languages and cross references all integrated into a system that empowers you to carefully study the Word of God and to prepare your teaching lessons quickly.

Next Bible ™ Features

NeXt Bible ™ Learning Environment feature list:

- Discovery Box: This is a NEW innovation that acts as your search agent and searches for relevant information about your search or the text under review. Check it out to complete your study references.
- Bible View:
View a chapter of the NET Bible® text, notes, various Bible versions, cross references (without popups), names of people in the chapter, paragraph titles in the chapter, and articles that discuss the chapter.
Ex.: John 1
- In Bible View click on the audio icon and listen to the New Testament.
- Verse View:
Compares the NET Bible® verse text with other translations found on the Internet including its commentaries, with "popup" cross references and word analysis with Strong's numbers. Ex.: John 1:1
- Multi
Verse/Passages: Allows you to look-up and display verse(s) in specific range e.g John 3:16; Rom 5:8-10; Rom 8:32; 2Co 5:19-21; 1Tim 1:15-16.
- XRefs/CrossReferences:
These exist in the Bible View and the commentaries tab in Verse View (only in Verse View can you see each XRefs as a verse popup).
- Strong View: Help you to find the definition of Greek/Hebrew word(s) via Strong's number.
- Dictionary View: Need explanation of word(s) in Bible? The Study Dictionary will help you.
- Universal Search:
Simply type the verse, passage, words, or Strong's number you want. The

search will search the NET Bible® for the word as well as the dictionaries.

- Double Click Search: Just double-click each word in the text e.g. (Jesus) and see what happen.

- Advanced Search: Simply search any specific word(s), phrase, partial words, old or new testament, NET Bible® text and/or notes.

- Webmaster Tools:
that allow you to add this NeXt Bible™ study toolset to your website for FREE (future version -- not available in the version 1.0 beta).

- Download:
Provide NET Bible® text and notes in various modules for different bible study formats for download. Free and premium versions are available.

- Fonts: Download Greek and Hebrew fonts.

- Sitemap: Map of this site.

- TIPS:
On the bottom of each page you will notice a TIP# and a Tip description. This will change for each page view so you can learn the program. To see all the TIPS click the ALL Tips link at the end of the TIP# line.

- Daily View: Read Bible for one year, daily passages for everyday reading.
